Name company considers your health to be very important. Therefore, they made arrangements with us, insurance advisor Alpina. Your health insurance is one of the most important insurance policies you have.

We recommend to review this carefully and check whether your insurance still meets your current needs. Each year your health insurance gets more expensive, but are you aware that a good comparison can save up to € 100,- annually? Please keep in mind that a coverage that fits your needs is more important than the highest discount.

Name company offers, in collaboration with us a collective discount with insurance company name insurance company('s). You can profit up to x% discount on the basic health insurance and up to x% on the additional packages depending on the insurance you choose.

In addition to a discount on the basic health insurance and additional health insurance, we can offer support with the following:

- Personal and appropriate advice;
- Arrange your health insurance quickly and easily online or by phone;
- Competitive premium and extensive coverage;
- 24/7 accessible helpdesk with qualified consultants for questions and advice;
- Waiting list mediation and guidance on claims.
